

THE BRISTOL MEDICAL AND CHIRURGICAL SOCIETY

[Bristol Medico-Chirurgical Society | The West of England Medical Journal](#)

The Bristol Medical and Chirurgical Society will hold an open prize evening of oral presentations on 13 January 2027.

Undergraduate and graduate university students, and doctors and allied-health professionals within five years of initial qualification are invited to submit abstracts for possible selection.

Applicants are free to choose the subject and content of their submission, but priority will be given to topics of general interest to wellbeing and the provision of healthcare, including the humanities. Experience from electives or personal projects will be particularly welcome.

Entries should be in the form of an abstract no longer than one page A4 and with text no less than 12 font (Times Roman).

Selected abstracts will be invited to present at the meeting and may be published in The West of England Medical Journal.

1st Prize £100, 2nd Prize £50 and selected runners up £25.

Please e-mail entries to admin@bristolmedchi.co.uk by Friday 27 November 5pm.

In addition to the abstract, please include a brief bio to demonstrate eligibility.
